*For 25 years Newbury Speakers Club has been supporting the local community to increase their communication skills. Founded in association with the USAF at Greenham Common, the club was originally called the Anglo American Toastmasters Club, changing its name to Newbury Speakers in the early 1990's.*

*In 25 years Newbury Speakers have seen many changes within the Newbury area, however, what has stayed constant is the need for individuals to improve their confidence and skills in front of an audience.*

*This is an amazing opportunity for our past members and those associated with the club over the past 25 years to meet people they may not have seen for many years and to also experience Newbury Speakers Club as it is in 2009. Many of our past presidents are also involved the organisation of this event.*

**You are cordially invited to the Black Tie Celebration Dinner** including keynote speaker and dancing afterwards, on Saturday 6th June 2009. Partners are very welcome to also attend this evening.
